

**Tenth Grove Fuel Cell Symposium  
2007**

**Fuel Cells in a Changing World**

**Poster Award Winners**

# Tenth Grove Fuel Cell Symposium 2007

## Fuel Cells in a Changing World

### Poster Award Winner

**P8**      **Fuel cell energy through nanotechnology  
in Iran**

**E. Saievar-Iranizad\***  
– **Tarbiat Modares University, Iran**

# **Tenth Grove Fuel Cell Symposium 2007**

## **Fuel Cells in a Changing World**

### **Poster Award Winner**

**P14      Partial dehydrogenation as an alternative  
method of hydrogen production from  
kerosene – System behaviour under  
overload and hazardous environmental  
conditions**

**A. Godula-Jopek\* and R. Langermann  
– EADS IW-SI, Germany**

# **Tenth Grove Fuel Cell Symposium 2007**

## **Fuel Cells in a Changing World**

### **Poster Award Winner**

**P25 Integrating hydrogen generation and storage in a novel compact electrochemical system based on metal hydrides**

**C.M. Rangel\*, V.R. Fernandes, Y. Slavkov  
and L. Bosukov – INETI, Portugal and  
Labtech Ltd, Bulgaria**

# Tenth Grove Fuel Cell Symposium 2007

## Fuel Cells in a Changing World

### Poster Award Winner

- P51**      **Development of micro-fuel cells using carbon monoliths**
- V. Strelko, H. Rajantie\* and B. Sowerby**  
– **MAST Carbon Technology, UK,**  
**Johnson Matthey Technology Centre, UK,**  
**and C2 Chandler Consulting, UK**

# **Tenth Grove Fuel Cell Symposium 2007**

## **Fuel Cells in a Changing World**

### **Poster Award Winner**

- P63**      **A modified acid-base polymer blend  
membrane for high performance DMFCs**
- V. Linkov\*, S. Pasupathi and S. Ji**  
**– University of the Western Cape,**  
**South Africa**

# **Tenth Grove Fuel Cell Symposium 2007**

## **Fuel Cells in a Changing World**

### **Poster Award Winner**

**P80 Water transport through a PEM fuel cell:  
A one-dimensional model with heat  
transfer effects**

**A.M.F.R. Pinto\*, D.S. Falcão, V.B. Oliveira,  
C. Pinho and C.M. Rangel – University of  
Porto, Portugal and INETI, Portugal**

**Tenth Grove Fuel Cell Symposium  
2007**

**Fuel Cells in a Changing World**

**Congratulations to all the  
Poster Award Winners!**
